PROFILE STUDENT

A graduate student at the Faculty of Political Science and International Relations at the University of Perugia, I have had several intercultural experiences that have enabled me to acquire excellent interpersonal skills, so much so that this area is the starting point for my future profession. I consider myself to be a creative, strong-willed person who is always open to anything that involves a multicultural and multilingual environment, which is why I am eager to put my energy, empathy, curiosity and willingness to always be faced with new challenges
